Highlights of the year gone by

The Blackstone Group, one of the world's leading investment firms purchased 100% of HPE's stake in Mphasis for INR 430 per share, or approximately \$825 million. This is the largest investment ever to be done by a PE firm in India. Being valued by world's largest PE is indeed a momentous occasion for all of us.

I am delighted as this deal brings in three key components: Predictability, Stability and Acceleration for your company.

Predictability and Stability:

This transaction has a Master Sales Agreement (MSA) in place with HPE which provide a minimum revenue guarantee of \$990 million over the next five years. Further, there is an auto renewal for another six years giving us an eleven year runway. Your Company has also been included in HPE's Preferred Provider Program opening up significant additional opportunities.

Acceleration:

In addition, this transaction provides us access to Blackstone's portfolio of companies globally. Blackstone's portfolio of companies globally have an IT spend of about \$1billion which becomes our addressable market. The litmus test is: 'How much of it are we able to garner?' Our track record in Direct Core, where we have grown faster than the market, with laser focus on new-generation services such as Digital, Governance Risk and Compliance (GRC) and new- age Infrastructure Services (IS) gives us the vigor and confidence to win a significant part of this \$1 billion.

This transaction is a game changer for your Company and I am enthused about the business prospects and very confident about our execution strategy.
