Global Agile Consulting Office

Mphasis Global Agile Consulting Office is a specialized group comprising of Agile Coaches, Scrum Masters, and Product Experts helping organizations improve their market competitiveness earlier by delivering high business value for their customers. Product experts work with client product owners to organize and prioritize their requirements by assigning appropriate business value to each feature. Coaches work with the client and implementing partners to understand people, processes, and culture to identify the organization specific needs and then select appropriate Agile practices. Trained Scrum Masters with the help of Mphasis domain and technology Shared Services help customize and apply the practices on the ground to real world projects.

The Consulting office has worked specifically with large organizations and helped them transform into Agile based processes and scale up across large teams. They have immense expertise in working with clients to distribute teams across geographies, keeping the costs controlled, without compromising on the requisite Agile benefits.
