## **INDEPENDENT AUDITORS' REPORT**

### **To the Board of Directors of Mphasis Limited**

#### **Opinion**

We have audited the accompanying condensed consolidated interim financial statements of Mphasis Limited (hereinafter referred to as the "Holding Company") and its subsidiaries listed in Annexure I (Holding Company and its subsidiaries together referred to as "the Group"), which comprise the condensed consolidated interim balance sheet as at 30 September 2018, the condensed consolidated interim statement of profit and loss (including other comprehensive income) for the quarter and year-to-date period then ended, the condensed consolidated interim statement of changes in equity and the condensed consolidated interim statement of cash flows for the year-to-date period then ended, and notes to the condensed consolidated interim financial statements, including a summary of significant accounting policies (hereinafter referred to as "the condensed consolidated interim financial statements") and other explanatory information as required by Indian Accounting Standard (Ind AS) 34 "Interim Financial Reporting" and other accounting principles generally accepted in India.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid condensed consolidated interim financial statements give a true and fair view in conformity with Ind AS 34 and other accounting principles generally accepted in India, of the consolidated state of affairs of the Company as at 30 September 2018, of the consolidated profit and other comprehensive income for the quarter and year-to-date period then ended, consolidated changes in equity and its consolidated cash flows for the year-to-date period then ended.

#### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those Standards are further described in the Auditors' Responsibilities for the Audit of the Condensed Consolidated Interim Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India, and we have fulfilled our other ethical responsibilities in accordance with the provisions of the Act. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Responsibilities of Management and Those Charged with Governance for the Condensed Consolidated Interim Financial Statements**

The Holding Company's management and Board of Directors are responsible for the preparation and presentation of these condensed consolidated interim financial statements that give a true and fair view of the consolidated state of affairs, consolidated profit/ loss and other comprehensive income, consolidated statement of changes in equity and consolidated cash flows of the Group in accordance with Ind AS 34 prescribed under section 133 of the Act and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and

maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the condensed consolidated interim financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the condensed consolidated interim financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the condensed consolidated interim financial statements, the respective management and Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

#### **Auditors' Responsibilities for the Audit of the Condensed Consolidated Interim Financial Statements**

Our objectives are to obtain reasonable assurance about whether the condensed consolidated interim financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these condensed consolidated interim financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the condensed consolidated interim financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and

appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the condensed consolidated interim financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.

#### **Auditors' Responsibilities for the Audit of the Condensed Consolidated Interim Financial Statements (continued)**

- Evaluate the overall presentation, structure and content of the condensed consolidated interim financial statements, including the disclosures, and whether the condensed consolidated interim financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the condensed consolidated interim financial statements. We are responsible for the direction, supervision and performance of the audit of financial information of the entities included in the condensed consolidated interim financial statements.

We communicate with those charged with governance of the Holding Company, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit of condensed consolidated interim financial statements.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### **Other Matters**

Corresponding figures for the quarter and year-to-date period ended 30 September 2017 and year ended 31 March 2018 were audited by another auditor who expressed an unqualified opinion on the condensed consolidated interim financial statements for the quarter and six months ended 30 September 2017, dated 26 October 2017 and an unqualified opinion on the annual consolidated financial statements for the year ended 31 March 2018, dated 10 May 2018.

\* Forms part of Digital Risk group.

The principal activities of the above subsidiaries include providing Information Technology and Information Technology Enabled Services, except for Digital Risk group which renders risk, compliance and technology related services to customers in the mortgage industry.

**List of Trusts that are consolidated**

- Mphasis Employee Benefit Trust.
- Mphasis Employees Equity Reward Trust.

a) On 22 July 2013, the Board of Directors of Mphasis Lanka (Private) Limited, a wholly owned subsidiary of Mphasis Limited, resolved to close its operations.

b) On 31 March 2017, the management of Digital Risk LLC resolved to close the operations of Digital Risk Europe, OOD.

**2 Statement of compliance**

The condensed consolidated interim financial statements of the Group have been prepared in accordance with Indian Accounting Standards (Ind AS) 34, Interim Financial Reporting, specified under Section 133 of the Companies Act, 2013 and rules thereunder.

**3 Significant Accounting Policies**

**Basis of preparation**

The condensed consolidated interim financial statements have been prepared on a historical cost convention and on an accrual basis of accounting, except for the following assets and liabilities which have been measured at fair value.

- Derivative financial instruments.

## ***Mphasis Group***

### ***Condensed Consolidated Interim Financial Statements***

---

- Investments classified as Fair Value Through Profit or Loss ('FVTPL').
- Fair value of plan assets less present value of defined benefit obligations.

The condensed consolidated interim financial statements are presented in INR (₹) and all the values are rounded off to the nearest million (INR 000,000) except when otherwise indicated.

The Group has followed the same accounting policies in preparation of the condensed consolidated interim financial statements as those followed in preparation of the annual consolidated financial statements as at and for the year ended 31 March 2018 except in case of revenue recognition due to adoption of Ind AS 115. These condensed consolidated interim financial statements should be read in conjunction with the audited consolidated financial statements and the related notes for the year ended 31 March 2018.

#### **Revenue recognition**

Revenue is recognized upon transfer of control of promised goods or services to customers in an amount that reflects the consideration the Group expects to receive in exchange for those goods or services.

The Group derives its revenues primarily from rendering application development and maintenance services, infrastructure outsourcing services, call centre and business & knowledge process outsourcing operations, licensing arrangements and trading of third party hardware / software.

Effective 1 April 2018, the Group has applied Ind AS 115 which establishes a comprehensive framework for determining whether, how much and when revenue is recognized. Ind AS 115 replaces Ind AS 18 Revenue, Ind AS 11 Construction Contracts and related interpretations. The Group has adopted Ind AS 115 using the cumulative effect method (without the practical expedient), with the effect of initially applying this standard recognised at the date of initial application (i.e. 1 April 2018). Under this transition method, the standard is applied retrospectively only to contracts that are not completed as at the date of initial application, and the comparative information is not restated – i.e. the comparative information continues to be reported under Ind AS 18 and Ind AS 11. Refer note 2 "Significant Accounting Policies" in the Group's consolidated financial statements as at and for the year ended 31 March 2018 for the accounting policies that were in effect for revenue recognized prior to 1 April 2018. The adoption of the standard did not have any material impact on the financial statements of the Group.

Revenues from rendering application development and maintenance services comprise income from time-and-material and fixed price contracts. Revenues from call centre and business & knowledge process outsourcing operations arise from both time-based and unit-priced contracts. Revenues from infrastructure outsourcing services arise from time-based, unit-priced and fixed price contracts.

Revenue from time and material, unit-priced contracts is recognized on an output basis, measured by units delivered, efforts expended etc.

Revenue from fixed price contracts is recognized using the percentage-of-completion method, calculated as the proportion of the cost of effort incurred up to the reporting date to estimated cost of total effort.

Revenue from fixed price maintenance and support services contracts where the Group is standing ready to provide services is recognized based on time elapsed mode and revenue is straight-lined over the period of performance and revenue related to fixed capacity contracts is recognised based on efforts expended mode.

Revenue from license transactions is recognised upfront at the point in time when the license is delivered to the customer, simultaneously with the transfer of control.

Revenue from bundled contracts is recognized separately for each performance obligation based on their stand-alone selling price.

In cases where implementation and / or customisation services rendered significantly modifies or customises the license, these services and license are accounted for as a single performance obligation and revenue is recognised over time using the percentage-of-completion method, calculated as the proportion of the cost of effort incurred up to the reporting date to estimated cost of total effort.

Revenue from the sale of distinct third-party hardware is recognised at the point in time when control is transferred to the customer.

The solutions offered by the Group may include supply of third-party equipment or software. In such cases, revenue for supply of such third-party goods are recorded at gross or net basis depending on whether the Group is acting as the principal or as an agent of the customer. The Group recognises revenue in the gross amount of consideration when it is acting as a principal and at net amount of consideration when it is acting as an agent.

Revenue from sale of services is measured based on the transaction price, which is the consideration, adjusted for discounts and pricing incentives, if any, as specified in the contract with the customer. Sales tax / Value Added Tax (VAT) / Service Tax / Goods and Service Tax ("GST") is not received by the Group on its own account. Rather, it is tax collected on value added to the commodity / service rendered by the seller on behalf of the government. Accordingly, it is excluded from revenue.

Provisions for estimated losses on incomplete contracts are recorded in the period in which such losses become probable based on the current contract cost estimates.

Contract assets are recognised when there is excess of revenue earned over billings on contracts. Contract assets are classified as unbilled receivables (only act of invoicing is pending) when there is unconditional right to receive cash, and only passage of time is required, as per contractual terms. Other contract assets are classified as other assets. Unearned and deferred revenue ("contract liability") is recognised when there are billings in excess of revenues. Advances received for services are reported as liabilities until all conditions for revenue recognition are met.

Use of significant judgements in revenue recognition:

- The Group's contracts with customers could include promises to transfer multiple goods and services to a customer. The Group assesses the goods / services promised in a contract and identifies distinct performance obligations in the contract. Identification of distinct performance obligation involves judgement to determine the deliverables and the ability of the customer to benefit independently from such deliverables.
- Judgement is also required to determine the transaction price for the contract. The transaction price could be either a fixed amount of customer consideration or variable consideration with elements such as volume discounts, performance bonuses, price concessions and incentives. The transaction price is also adjusted for the effects of the time value of money if the contract includes a significant financing component. Any consideration payable to the customer is adjusted to the transaction price, unless it is a payment for a distinct good or service from the customer. The estimated amount of variable consideration is adjusted in the transaction price only to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue recognised will not occur and is reassessed at the end of each reporting period.

**Mphasis Group**  
**Condensed Consolidated Interim Financial Statements**

- The Group uses judgement to determine an appropriate standalone selling price for a performance obligation. The Group allocates the transaction price to each performance obligation on the basis of the relative stand-alone selling price of each distinct good or service promised in the contract. Where standalone selling price is not observable, the Group uses the expected cost-plus margin approach to allocate the transaction price to each distinct performance obligation.
- The Group exercises judgement in determining whether the performance obligation is satisfied at a point in time or over a period of time. The Group considers indicators such as how customer consumes benefits as services are rendered or who controls the asset as it is being created or existence of enforceable right to payment for performance to date and alternate use of such good or service, transfer of significant risks and rewards to the customer, acceptance of delivery by the customer, etc.
- Use of the percentage-of completion method in accounting for its fixed-price contracts requires the Group to estimate the efforts or costs expended to date as a proportion of the total efforts or costs to be expended. Efforts or costs expended have been used to measure progress towards completion as there is a direct relationship between input and productivity. Judgement is also exercised in determining provisions for estimated losses, if any, on uncompleted contracts based on the expected contract cost estimates as at the reporting date.
- Contract fulfilment costs are generally expensed as incurred except for certain costs which meet the criteria for capitalisation. The assessment of this criteria requires the application of judgement, in particular when considering if costs generate or enhance resources to be used to satisfy future performance obligations and whether costs are expected to be recovered.

Interest income is recognized as it accrues in the statement of profit and loss using effective interest rate method.

Dividend income is recognized when the right to receive the dividend is established.

The Group disaggregates revenue from contracts with customers by segment, geography (refer note 10), services rendered, delivery location and project type (refer note 11).

**4 Financial instruments**

As at 30 September 2018, the carrying value of financial instruments by categories is as follows:

- 5 During the previous year, upon assessment of future profitability, the Group provided an amount of ₹ 130.78 millions (net of tax ₹ 69.22 millions) towards expected losses in relation to a revenue contract with a customer. The closing balance as at 30 September 2018 is ₹ 93.51 millions (31 March 2018: ₹ 200.00 millions).
- 6 During the quarter ended 30 June 2017, the Company had completed the buyback of 17,370,078 fully paid-up equity shares of face value of ₹ 10 each ("equity shares") on 2 June 2017, representing 8.26% of the total paid-up equity share capital of the Company, at a price of ₹ 635 per equity share for an aggregate consideration of ₹ 11,030.00 millions. The shares accepted by the Company under the buyback scheme were extinguished on 7 June 2017 and the paid-up equity share capital of the Company has been reduced to that extent. Subsequent to completion of buyback, the Company has transferred ₹ 173.70 millions to Capital Redemption Reserve representing face value of equity shares bought back.
- 7 The Board of Directors, at its meeting held on 7 August 2018, recommended a buyback of equity shares, through tender offer method on a proportionate basis, for a total consideration not exceeding ₹ 9,882.75 million which has been approved by the shareholders by means of special resolution through a postal ballot as per the provisions of the Companies Act, 2013, the results of which were declared on 28 August 2018. Further to this, the Buyback Committee authorized in this regard, has, inter-alia, fixed the buyback price at ₹ 1,350 per share and the resultant maximum shares to be bought back is 7,320,555 equity shares of ₹ 10 each. The Company has also announced 25 October 2018 as the record date in this regard. The Company has issued a Public Announcement and has also filed the draft letter of Offer with the Securities and Exchange Board of India as required under the SEBI (Buyback of Securities) Regulations, 2018.
- 8 The Board of Directors, in its meeting held on 10 May 2018 had proposed the final dividend of ₹ 20 per share for the year ended 31 March 2018. The dividend proposed by the Board of Directors has been approved by the shareholders' in the Annual General meeting held on 7 August 2018.

**9 Contingent liabilities**

The Group has received assessment orders for the financial years ended 31 March 2003, 31 March 2005, 31 March 2007, 31 March 2008, 31 March 2009, 31 March 2010, 31 March 2011, 31 March 2012, 31 March 2013 and 31 March 2014, wherein certain adjustments in respect of transfer pricing under Section 92CA of the Income Tax Act, 1961 have been made to the taxable income and demand orders for ₹ 3,661.88 millions (31 March 2018: ₹ 3,511.65 millions) have been raised on the Group. The above demands are disputed by the management and the Group has filed appeals against the aforesaid orders with appellate authorities. The management is of the view that the prices determined by it are at arm's length and is confident that the demands raised by the assessing officer are not tenable under law. Pending outcome of the aforesaid matters under litigation, no provision has been made in the books of account for the above-mentioned tax demands.

Other claims against the Group (majorly Income tax and indirect tax) not acknowledged as debts amounting to ₹ 7,026.72 millions (31 March 2018: ₹ 7,099.69 millions) net of bank guarantees aggregating to ₹ 6,661.95 millions (31 March 2018: ₹ 6,662.76 millions). The management, basis internal evaluation and legal opinion is of the view that these demands are not tenable.

Other outstanding bank guarantees as at 30 September 2018: ₹ 708.43 millions (31 March 2018: ₹ 607.78 millions) pertains to guarantees on behalf of the Group to customers and other agencies.

The Group has received claims from certain customers / vendors. Management is of the view that these claims are not tenable and is taking appropriate action in this regard. It is not practical for the Group to estimate the amounts.

Estimated amount of contracts remaining to be executed on capital account (net of advances) and not provided for as at 30 September 2018: ₹ 123.10 millions (31 March 2018: ₹ 274.54 millions).

**10 Segment reporting**

Operating segments are defined as components of the Group for which discrete financial information is available that is evaluated regularly by the chief operating decision maker, in deciding how to allocate resources and assessing performance. The Group's Chief Operating Decision Maker ('CODM') is the Chief Executive Officer.

The Group has identified business segments as reportable segments. The business segments identified are: Banking and Capital Market, Insurance, Information Technology, Communication and Entertainment and Emerging Industries.

The accounting policies consistently used in the preparation of financial statements are also applied to record revenue and expenditure in individual segments. Revenues and direct expenses in relation to segments are categorised based on items that are individually identifiable to that segment, while other items, wherever allocable, are apportioned to the segments on an appropriate basis. Certain items are not specifically allocable to individual segments as the underlying services are used interchangeably. The Group, therefore believes that it is not practical to provide segment disclosures relating to such items, and accordingly such items are separately disclosed as 'unallocated'.

CODM does not review assets and liabilities at reportable segments level, hence segment disclosures relating to total assets and liabilities have not been provided.

Client relationships are driven based on client domicile. The geographical segments include United States of America (USA), India, Asia Pacific (APAC) and Europe, Middle East & Africa (EMEA).
