About Mphasis
Mphasis (BSE: 526299; NSE: MPHASIS) applies next-generation technology to help enterprises transform businesses globally. Customer centricity is foundational to Mphasis and is reflected in the Mphasis’ Front2Back™ Transformation approach. Front2Back™ uses the exponential power of cloud and cognitive to provide hyper-personalized (C=X2C² stmt=1) digital experience to clients and their end customers. Mphasis’ Service Transformation approach helps ‘shrink the core’ through the application of digital technologies across legacy environments within an enterprise, enabling businesses to stay ahead in a changing world. Mphasis’ core reference architectures and tools, speed and innovation with domain expertise and specialization are key to building strong relationships with marquee clients. Click here to know more.
Safe Harbor:
Certain statements mentioned in this presentation concerning our future growth prospects are forward looking statements (the "Forward Statements") and are based on reasonable expectations of the management, which involves a number of risks, and uncertainties that could cause actual results to differ materially from those in such Forward Statements. The risks and uncertainties relating to these Forward Statements include, but are not limited to, risks and uncertainties regarding fluctuations in our earnings, fluctuations in foreign exchange rates, revenue and profits, our ability to generate and manage growth, intense competition in IT services, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price and fixed-time frame contracts, restrictions on immigration, industry segment concentration, our ability to manage our international operations, our revenues being highly dependent on clients in the United States of America, reduced demand for technology in our key focus areas, disruptions in telecommunication networks or system failures, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, withdrawal of fiscal governmental incentives, political instability, adverse impact of global pandemics (including COVID-19 impact), war, legal restrictions on raising capital or acquiring companies, unauthorized use of our intellectual property(ies) and general economic conditions affecting our businesses and industry. We may, from time to time, make additional written and oral Forward Statements. We do not undertake to update any Forward Statements that may be made from time to time by us or on our behalf, unless required under the law.
