The committee, headed by Corporate Affairs Secretary Injeti Srinivas, suggested a ceiling on independent director's remuneration in terms of percentage of income in order to prevent any material pecuniary relationship, which could impair his independence on the board of the company.

The committee submitted its report to Finance Minister Arun Jaitley on Monday.

Experts said the high fees by any one company can compromise independent directors' independence. These directors are paid in two ways — through sitting fee and commission. While the sitting fee is not a concern, it is commission, which raises eyebrows. Commission could range from one to three per cent of a company's net profit, depending on whether the company has a managing director, whole time director or not. Atul Pandey, partner at Khaitan & Co., said the recommendation is in line with the Kotak committee report on corporate governance for listed companies.

National Company Law Tribunal (NCLT) and its appellate tribunal recently heard the Tata Sons-Cyrus Mistry case on conversion of the company into a private limited one. However, similar cases might not go to NCLT and could be decided by the

This was part of the recommendations to de-clog NCLT by the committee on reviewing penal provisions of the Companies Act. The committee also recommended shifting 16 of 81 compoundable offences from the jurisdiction of special courts to an in-house e-jurisdiction framework, where defaults could be penalised by adjudicating officer under the registrar of companies.

## **SBI Caps readies** GSPC's loan reduction proposal

JYOTI MUKUL New Delhi, 27 August

At a time when private companies are staring at insolvency, SBI Caps has worked out a bailout package for stateowned Gujarat State Petroleum Corporation (GSPC), where the State Bank of India is one of the lead bankers. In a presentation outlining the mechanism for loan resolution, it has proposed that the SBI offer a debt of ₹21 billion to refinance Gujarat State Financial Services (GSFS) Ltd's loan to GSPC.

Prior to this refinancing, GSPC will draw an incremental ₹6 billion from GSFS as general corporate purpose loan. As a third step, a fresh facility of ₹15 billion will be availed from GSFS to refinance an outstanding line of credit and short-term loans that amount to ₹21 billion. SBI Caps, which was hired by GSPC to suggest a loan reduction plan, has also identified certain requirements, such as a fresh cash credit limit of ₹7.5 billion, and non-fund-based limits of ₹20 billion, translating to ₹5 billion incremental limit. It has suggested that GSPC Pipavav give Oil and Natural Gas Corporation ₹4 billion standby letter of credit (SBLC) for supply of 5 mmscmd gas. SBI has been requested to extend conversion of Compulsorily Convertible Debentures amounting to ₹5.5 billion that are due for conversion this financial year. GSPC is looking for approval of lenders for a scheme of arrangement under which non-convertible debentures worth about ₹6 billion would be transferred to GSIL.

This takeover of NCDs has been approved by the Gujarat cabinet. The Gujarat government firm, which was once one of the major players in the petroleum and gas sector, had to sell off its Deendayal Upadhyaya block in the Krishna Godvari basin as part of its effort to reduce debt. The accumulation of debt on its books led to the Congress calling it a scam of the Gujarat government when PM Narendra Modi was the state chief minister.

At an all-party meeting hosted by the Election Commission (EC) on Monday, the Congressled alliance of several parties demanded a return to paper ballots for the 2019 Lok Sabha elections. The Bharatiya Janata Party and its allies had opposed it. The EC later indicated it would work towards "satisfacsolution" to the Opposition's suggestions.

## Kerala deluge may shave off 2.2% of state GDP

The deluge that ravaged Kerala earlier this month, has shaved off at least 2.2 per cent of state GDP, which will push up its fiscal deficit to 5.4 per cent this fiscal, says a report.

Most of Kerala was marooned between August 8 and 20, and around 260 people we killed and over a 1.5 million were driven out of their homes. The state administration has pegged the damages-over 90.000 km of roads. hundreds of bridges and around 50,000 acres of crops and over 10,000 homes were destroyed, at over ₹ 350 billion, which is much more than its annual budget. According to an initial estimate by rating agency Acuit Ratings (earlier Smera Ratings), the flood has shaved off at least 2.2 per cent or or near-

ly ₹108 billion of state GDP. Without central grants-inaid, state fiscal deficit may exceed 5.4 per cent this financial year compared to 3.2 per cent in FY18. The key sectors of tourism and agro-based industries are expected to suffer severe losses given the damages to infrastructure and crops/plantations. Tourism alone contributes 10 per cent of the state economy.

Agro-based industries and plantation industries such as rubber, tea, paper, textiles, food processing etc are likely to suffer losses of over ₹12 billion, the agency added. Giving a sectoral loss due to the floods, the agency said the biggest loss would be seen in the real estate ownership with an estimated loss of ₹17.25 billion, followed by agro-based industries at ₹12.16 billion road transport at ₹6.57 billion, financial services at ₹5.49 billion, hotels & shopping complex at ₹1.61 billion, and quarrying at ₹7.5 million.

#### **EXPLANATORY STATEMENT PURSUANT TO SECTIONS 102 AND 110 OF THE COMPANIES ACT, 2013**

The Board at its meeting held on 7 August 2018 have considered and approved buy-back of fully paid equity shares of the Company for a total consideration not exceeding Rs. 9,882.75 Million (Rupees nine thousand eight hundred and eighty two million and seven fifty thousands) ("Buy-back"). The Buy-back is proposed with an objective of rewarding the shareholders through return of surplus cash. The following are the disclosures in relation to the proposed Buy-back as per the Act and the Buy-back Regulations:

#### a) Objective of the Buy-Back:

The Buy-back proposal aims to effectively utilize surplus cash by rewarding the shareholders. The Buy-back of equity shares will result in reduction of paid up equity share capital which may be accompanied by likely increase in Return on Capital Employed. The Company believes that the Buy-back may create long term value for the shareholders. The Buy-back through "Tender Offer" method as specified under the Buy-Back Regulations gives an option to existing shareholders to either receive the surplus cash by participating in the Buy-back or remain invested and enjoy percentage increase in the shareholding in the post Buy-back capital without any additional investments.

The Buy-back through "Tender Offer", inter-alia, offers the following advantages –

- 1. The Buy-back helps the Company to distribute surplus cash to its shareholders in proportion to their shareholding;
- 2. The Buy-back, involves allocation of 15% reservation to small shareholders subject to their entitlement. The Company believes that this reservation for small shareholders would benefit a large number of public shareholders, who would get classified as a 'small shareholder'.
- 3. The Buy-back may help in improving return on equity, by reduction in the equity base and other financial ratios, thereby leading to long term increase in shareholders' value;
- 4. The Buy-back gives an option to the existing shareholders to either participate in the Buy-back and receive cash in lieu of equity shares accepted under the Buy-back or not participate in the Buy-back and enjoy a resultant increase in their percentage shareholding in the Company post the Buy-back;
- b) Maximum amount required under the Buy-back, its percentage of the total paid up capital and free reserves and the sources of funds from which the Buy-back would be financed.

The maximum amount required under the Buy-back will be Rs. 9,882.75 Million (Rupees nine thousand eight hundred and eighty two million and seven fifty thousands) which is not exceeding 25% of the paid up capital and free reserves as per the audited financial statement for the quarter ended 30 June 2018. The Buy-back would be financed out of internal accruals of the Company. The Company shall transfer from its free reserves a sum equal to the nominal value of the equity shares bought back through the Buy-back to the Capital Redemption Reserve Account and the details of such transfer shall be disclosed in its subsequent audited financial statements.

The ratio of the aggregate of secured and unsecured debts owed by the Company will be not more than twice the paid-up capital and free reserves after the Buy-back.

#### c) Buy-back Offer Price and the basis of arriving at the Buy-back Price

The fully paid-up equity shares of the Company are proposed to be bought back at a price not exceeding Rs. 1,350 (Rupees one thousand three hundred and fifty only) per equity share (the "Buy-back Offer Price"). The Buy-back Offer Price has been calculated after taking into consideration the volume weighted average market price of the equity shares and net worth of the Company.

It is proposed to seek the approval of the shareholders of the Company to authorize the Board to determine the specific Buy-back price at a later date within the Buy-back Offer Price of Rs. 1,350 (Rupees one thousand three hundred and fifty only) per equity share.

#### d) Maximum number of shares that the Company proposes to buy-back and the time limit for completing the Buy-back

The Company proposes to Buy-back fully paid up equity shares for a consideration not exceeding Rs. 9,882.75 Million (Rupees nine thousand eight hundred and eighty-two million and seven fifty thousands) at a Buy-back Offer Price of Rs. 1,350 (Rupees one thousand three hundred and fifty only) per equity share. Considering the Buy-back offer size and the Buy-back Offer Price, the resultant shares to be bought back shall be 7,320,555 (Seven million three hundred twenty thousand and five hundred and fifty five) equity shares. However, if the Board determines a different price, within the Buy-back Offer Price of Rs. 1,350 (Rupees one thousand three hundred and fifty only) per equity share, at which the Buy-back will be made, at the time of public announcement, the maximum buy-back shares shall be adjusted accordingly.

The Buy-back is proposed to be completed within 12 months of the date of special resolution to be passed by the shareholders.

#### e) Method to be adopted for the Buy-back

The Buy-back shall be on a proportionate basis from all the existing shareholders holding equity shares of the Company through "Tender Offer" method, as prescribed under the Buy-back Regulations. The Buy-back will also be implemented in accordance with the Act, Buy-back Regulations and on such terms and conditions as may be deemed fit by the Company.

As required under the Buy-back Regulations, the Company will announce a record date (the "Record Date") for determining the names of the shareholders holding equity shares of the Company who will be eligible to participate in the Buy-back.

In due course, each shareholder as on the Record Date, will receive a Letter of Offer along with a Tender/ Offer Form indicating the entitlement of the shareholder for participating in the Buy-back.

The equity shares to be bought back as a part of the buy-back is divided in two categories:

- (a) Reserved category for small shareholders; and
- (b) General category for all other shareholders.

As defined in the Buy-back Regulations, a "small shareholder" is a shareholder who holds equity shares having market value, on the basis of closing price on stock exchanges where the equity shares of the Company are listed as on Record Date, of not more than Rs. 2,00,000 (Rupees two lakhs)

In accordance with Regulation 6 of the Buy-back Regulations, 15% of the number of equity shares which the Company proposes to buy-back or number of equity shares entitled as per the shareholding of small shareholders, whichever is higher, shall be reserved for the small shareholders as part of this Buy-back. The Company believes that this reservation of 15% for small shareholders would benefit a large number of public shareholders, who would get classified as "small shareholder".

Based on the holding on the Record Date, the Company will determine the entitlement of each shareholder to tender their shares in the Buy-back. This entitlement for each shareholder will be calculated based on the number of equity shares held by the respective shareholder as on the Record Date and the applicable ratio of Buy-back for the category to which such shareholder belongs.

Shareholders' participation in Buy-back will be voluntary. The shareholders holding equity shares can choose to participate and get cash in lieu of shares to be accepted under the Buy-back or they may choose to not participate and enjoy a resultant increase in their percentage shareholding, post Buy-back, without additional investment. The shareholders holding equity shares of the Company may also accept to tender a part of their entitlement under the Buy-back. Shareholders holding equity shares of the Company also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other shareholders, if any.

The maximum tender under the Buy-back by any shareholder cannot exceed the number of equity shares held by such shareholder as on the Record Date.

The equity shares tendered as per the entitlement by the shareholders of the Company as well as the additional equity shares tendered, if any, will be accepted as per the procedure laid down in Buy-back Regulations. The settlement of the tenders under the Buy-back will be done using the "Mechanism for acquisition of shares through Stock Exchange" notified by SEBI vide circular

CIR/CFD/POLICYCELL/1/2015 dated 13 April 2015 as amended via SEBI circular CFD/DCR2/GIR/P/2016/131 dated 9 December 2016 including any further amendments thereof.

Detailed instructions for participation in the Buy-back (tender of equity shares in the Buy-back) as well as the relevant time table will be included in the Letter of Offer which will be sent in due course to the shareholders of the Company as on the Record Date.

The Buy-back from non-resident members, Overseas Corporate Bodies (OCBs) and Foreign Institutional Investors (FIIs) / Foreign Portfolio Investors (FPIs), and members of foreign nationality etc., if any, shall be subject to such approvals as may be required including approvals from the Reserve Bank of India under the Foreign Exchange Management Act, 1999 and the rules, regulations framed thereunder, if any.
