GOOD IS THE ENEMY OF GREAT.

NITIN RAKESH

CHIEF EXECUTIVE OFFICER & EXECUTIVE DIRECTOR, MPHASIS LIMITED

- ex : Biggest milestone in your life:**
 Setting up an investment management firm from scratch and growing it to the most profitable organization.
- ex : Books that have most influenced your life:**
 'Good to Great'.
- ex : The 3 habits you think are most important in order to be an effective leader:**
 Listening, execution focused and customer obsessed.
- ex : The best tech innovation according to you:**
 The Microchip.
- ex : Your ideas and views on sustainable technology:**
 Electric cars that reduce the use of fossil fuel and autonomous cars.
- ex : Your upcoming career goals:**
 Taking Mphasis to the next level of growth.

ROSHAN SIROHIA

DIRECTOR, CRUISE APPLIANCES PVT. LTD.

- ex : Biggest milestone in your life:**
 Successfully launching India's first 5-in-1 split air conditioner in 2018 and offered this with a lifetime core package.
- ex : Book(s) that have most influenced your life:**
 'Blue Ocean Strategy' by W. Chan Kim & Renée Mauborgne and 'The Art of War' by Sun Tzu.
- ex : An unusual app on your smartphone:**
 S.M.T.H or Send me to Heaven. It's a simple app which allows me to entertain myself by throwing my phone upwards, and it calculates the distance of the throw! Try at your own risk.
- ex : The next product on your tech-wishlist:**
 A 'Tesla Model Y' whenever it launches in India.
- ex : 3 habits you think are most important in order to be an effective leader:**
 The first most important habit I believe for an effective leader is to inspire people to better themselves as a team, the second is the ability to always look at the big picture and communicate the same to one's team, and the third is integrity and having unwavering faith in yourself.
- ex : The best tech innovation according to you:**
 The refrigeration cycle.
- ex : Your ideas and views on sustainable technology:**
 I believe that sustainable technology is all about creating an ecosystem which allows us to give time to our society and environment, and balance our tech-infused crazy lifestyles with some back-to-nature living from time to time.
- ex : Your upcoming career goals:**
 To build a global appliances brand with an Indian heart.

THE ONLY WAY TO DO GREAT WORK IS TO LOVE WHAT YOU DO.
