

Mphasis receives the 'Best Effort towards Environment, Health & Safety (EHS)' Award 2013

Bangalore, September 12, 2013

Mphasis has been awarded the '**Best Effort Towards Environment, Health & Safety – EHS' Award 2013** at the **FM ZONE INDIA LEADERSHIP AWARDS**. This award in the corporate category recognises the significant contribution of Mphasis in the area of Environment, Health & Safety within the organization. Mphasis was felicitated at the Facility Management Zone India Leadership Awards that was held in New Delhi. The initiative was supported by NASSCOM, the industry association for Indian IT companies in India.

Over the years, Facility Management has been growing and anchoring its position within an organization's critical business processes. Mphasis, through its comprehensive EHS policy, has been constantly striving to minimize its carbon footprint and increase the health and safety standards of its employees at the workplace. The award is a testimony of Mphasis' focus towards sustainability, employee wellbeing, safety and resource conservation initiatives undertaken within the organization.

An award ceremony was organized by NASSCOM, Shri Harish Rawat, Honourable Minister Water Resources Government of India felicitated individuals and corporates who contribute towards innovation and development in the area Of EHS and Facility Management.

"Mphasis is committed to conducting business globally in a responsible and sustainable manner. We aim to provide a safe environment for our employees and physical assets, keeping with our philosophy of minimizing the impact on the environment. We are extremely honoured to receive this award which is an acknowledgement of our work in this direction." said Puneet Bhirani, Chief Administrative Officer, Mphasis.

"The IT enterprises today are playing transformational roles in the way businesses, clients and citizens are serviced, and lead in establishing a new paradigm for creating a sustainable impact on the society. NASSCOM would like to congratulate Mphasis on winning this prestigious award for their focus on minimizing the carbon footprint as well as on the health and safety of its employees." said, NASSCOM.
