[Mphasis](#), (BSE: 526299; NSE: MPHASIS), an Information Technology (IT) solutions provider specializing in [cloud](#) and [cognitive](#) services, was named winner of the prestigious Bronze Stevie Award® in the Business Technology category under Product Management & New Product Awards category in the 21st Annual American Business Awards®.

Mphasis was nominated in the Product Management & New Product Awards category for providing exceptional DevOps solutions through Stelligent AWS Landing Zone QuickStart. It is a new accelerator that helps organizations implement an enterprise production-ready multi-account environment in weeks instead of months. It enhances the core AWS Control Tower solution and provides organizations with a faster and more efficient way to set up and manage their AWS environments.

The DevOps solution provides a seamless, automated experience for deploying secure and compliant landing zones while maintaining flexibility and scalability. The solution is ideal for enterprises looking to adopt AWS Landing Zone for the first time or optimize their existing deployment. Additional benefits of the solution include meeting the requirements for the industry and line of business (LOB) in regulatory, compliance, and governance areas.

The American Business Awards are the U.S.A.'s premier business awards program. All organizations operating in the U.S.A. – public and private, for-profit, and non-profit, large, and small are eligible to submit nominations. More than 3,700 nominations from organizations of all sizes and in virtually every industry were submitted this year for consideration in a wide range of categories, including Startup of the Year, Product Management & New Product Awards, Executive of the Year, among others.

"We are honoured to receive the Bronze Stevie® Award for our Stelligent AWS Landing Zone QuickStart solution in the Business Technology category. This recognition is a testament to our commitment to delivering innovative cloud solutions that drive digital transformation and create value for our clients. The Stelligent AWS Landing Zone QuickStart is a game-changer for enterprises looking to set up and manage their AWS environments faster and more efficiently. We are proud to be at the forefront of this transformation," **Nitin Rakesh, Chief Executive Officer, and Managing Director, Mphasis.**

"The Stevie Award reflects our team's dedication to driving progress forward through innovative solutions. We are thrilled to see the impact that our technology has on our clients. This recognition motivates us to continue pushing the boundaries of what's possible and to strive for excellence in everything we do," **Elango R, President – Enterprise 5, North Americas, Mphasis.**

More than 230 professionals worldwide participated in the judging process to select this year's Stevie Award winners. Nicknamed the Stevies for the Greek word meaning "crowned," the awards will be presented to winners at a gala ceremony at the Marriott Marquis Hotel in New York on Tuesday, June 13, 2023.

"It is gratifying for us to be able to recognize the achievements of such a wide variety of organizations, teams, and individuals in the 21st American Business Awards, and we look forward to

bringing them together in New York on June 13 this year to celebrate with them,” said **Maggie Miller, President of the Stevie Awards.**
